Title : Neutral Zone Attack w/ Spee **Category #1 :** Forwards **Category #2 :** Offensive Zone

Content elements: **Components :**

Key Points :

Description

This variation also has the second player in line sprinting to the far post. This time the are expecting a pass or a rebound so it is important they drive to the net with their stick on the ice and stop for the rebound. If they are in position, it is also a good idea to get in front of the goalie for a screen, tip, or both. The first forward uses the same move they used in the third variation of this ice hockey drill.
