2 on 1; 2 on 1 With Backcheck:

- D1 skates backward, turns and picks up a puck.
- At same time, X1 and X2 skate swing as shown.
- D1 skates behind net and passes to X1 or X2 who proceed 2 on 1 on D2.
- Switch sides half-way through.

Variation - (2 on 1 backchecker):
- X3 skates at same time behind net, light forecheck pressure and backchecks picking up either X1 or X2.
- encourage D1 to use back of net for puck protection.

Key points:
- Heads up tape to tape, crisp passes.
- Defensive communication between D2 & X3.
- Emphasize X1 & X2 read and react to forecheck time and space from X3 & D2.
