Description

This drill is a variation of the previous drill, the Ring Around 1 on 1. F1 starts the play by passing to D2. D2 makes a pass to D1 and D1 takes a shot on net from the blue line. After F1 makes the pass, they ring the puck around the boards to F2.This time, F1 joins the play and receives the pass off the boards from F2. F1 and F2 then attack D1 in a 2 on 1 full ice situation.
