BELFRY FULL ICE ANGLE DRILL

Time: **Station:**

Drill Setup:

- 1 Line on each blue line. Cones as shown.
- On whistle players skate around there respective cones.
- Coach passes puck off the far wall to either side. This cues the opposite player that they need to angle.
- Players play the1 v 1 out trying to score on the opposite teams net. Keep score.
- Drill can be done 2 v 2 or 3 v 3 as well. Adding players to the drill brings in other factors.

Drill Purpose:

- Purpose of the drill is to challenge a players ability to recognize an execute an angling situation. The drill is difficult. If not done well it is easy to expose a bad angle.
